BRINGING THE GREATEST HAPPINESS TO OTHERS

So much of the excitement during the holiday season is all about receiving gifts and giving gifts. "A Merry Little Christmas" did much more than provide gifts, it brought joy and family bonding. It's a powerful feeling.

A Merry Little Christmas Project is hosted by the Pharr Housing Authority Staff with the primary goal of providing kids of low income families that participate in the Public Housing and Housing Choice Voucher (Section 8) Programs, the opportunity to receive a Christmas gift.

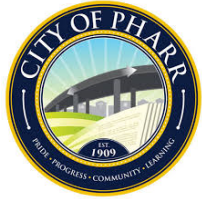

This is the second year that the Pharr Housing Authority with the help of its community partners hosted the event at the Pharr Events Center. The Pharr Housing Authority handed out 336 toys to kids that participated in the event.

The Housing Authority also raffled 25 bicycles to boys and girls in different age groups. The bicycles were donated by our community partners.

A total of 527 residents attended the event. A Section 8 resident (Dolores Y.) expressed her gratitude by saying " Thank you so much, I haven't been able to purchase any gifts for my kids, it has been tough for me".
